PROFESSIONAL SUMMARY

Motivated Full Stack Developer with a strong foundation in software development and a keen interest in building scalable applications. I have hands-on experience in developing RESTful APIs using Spring Boot, performing CRUD operations, and working with MySQL and MongoDB. I am familiar with JWT-based authentication and API integration between backend services and frontend applications. I also have exposure to React, HTML, CSS, and Bootstrap for building responsive interfaces. I am eager to start my IT career, enhance my technical skills, and contribute effectively.

SKILLS

Programming Languages: JavaScript, Core Java, Java 8, Python

Frontend: HTML, CSS, Bootstrap

Backend: RESTful APIs, JWT Authentication, Layered Architecture

Frameworks: React, Spring Boot

Databases: MySQL, MongoDB, DataBase Management

Tools: Git, GitHub, VS Code, Pycharm

Testing & Debugging: Postman API testing, Exception handling

Concepts: OOPS, SDLC, Data Structures and Algorithms (Basic), Cloud Basic

PROJECT

Frontend Project – Fashion Website (React)

- Developed a responsive e-commerce web application using React.js, HTML5, CSS3, and Bootstrap
- Implemented dynamic product listing for categories such as Men, Women, Kids, and Accessories
- Designed reusable components for navigation, product display, and UI layout
- Integrated Add-to-Cart functionality, user address form, and checkout process
- Ensured cross-browser and cross-device compatibility

Technologies Used: HTML, CSS, Bootstrap, React

Backend Project – Fashion E-Commerce System (Spring Boot)

- Developed RESTful APIs using Spring Boot for e-commerce functionalities
- Implemented CRUD operations for product, user, cart, and address management
- Designed secure authentication system using Spring Security and JWT (JSON Web Token)
- Applied DTO pattern to separate entity models and API payloads
- Implemented exception handling and API validation
- Integrated backend APIs with frontend for seamless data flow

Technologies Used: Java, Spring Boot, REST APIs, JWT, MySQL, React.js

EDUCATION

B.E Electrical and Electronic Engineering

2021 – 2025

University College of Engineering, Pattukkottai,
Thanjavur.

CGPA: 7.2

CERTIFICATION

Java Full Stack at Login360,
Coimbatore.

August-December 2025

Claude Code In Action

February 2026

SOFT SKILLS

- Problem Solving Mindset
- Analytical Thinking
- Communication Skills
- Adaptability
- Project Documentation

LANGUAGES

Tamil

English
